

Career Guidance Program in PLANT BREEDING

(November 26, 2021 @ 5.00 – 8.00 pm)

ATPBR welcomes M.Sc. And Ph.D. students in Plant Breeding from any University in India to participate in a 3-hour online Career Guidance Program in Plant Breeding which aims to help students to develop a clearer perspective for making informed choices concerning their careers in Plant Breeding. Delivered by three highly experienced Plant Breeders who have served Seed Industry in India and abroad, the program offers a comprehensive overview of career opportunities in public and private sectors as well as in entrepreneurship.

Fee: ₹ 600 (including GST)
